

Goodbye Derek and Moira

Sunday 26 of January the congregation of the **Scots International Church Rotterdam (SICR)** said farewell to Derek and Moira Lawson. In good SICR tradition we did this with an international lunch after our Sunday service.

Vacancy

In search for a new Minister, SICR appointed a Nominating Committee of Sunday 2 February. They have the task to advertise, screen and interview candidates en come up with a sole nominee.

Some work was done beforehand. Three members from within and outside the Consistory made a Congregational Profile based on the one from 2014. After it was approved by

Profile,

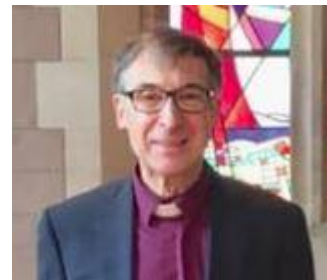

Consistory, the profile was handed over by the Intermim Moderator Rev. Jan Steyn (Paris) to the Nominating Committee.

Locums

Our first Locum minister from February 9 till the end of April is **Rev. Alex Douglas**, who is accompanied by his wife Jill.

From May 3 till June 27 **Rev. Denis Campbell** will be our Locum minister.

They are both familiar faces in the International Presbytery. They were locums in i.g.

Brussels and Costa del Sol.

We hope they enjoy their stay in Rotterdam and bring lots of spiritual gifts to our congregation.
